A LETTER FROM THE CO-CHAIRS

GREETINGS POTENTIAL PARTNERS!

We are thrilled to invite you to join us at QHacksX, our tenth and most ambitious hackathon yet. As we gather some of the most innovative minds from across Canada, we aim to provide them with opportunities to expand their skills, forge invaluable connections, and transcend the boundaries of what is possible.

Over the past decade, QHacks has had the privilege of engaging with thousands of talented students who have propelled their ideas far beyond the limits of a traditional hackathon. Last year alone, we welcomed over 500 students from various backgrounds to facilitate a weekend of creativity and innovation. As we embark on the tenth iteration, our commitment to fostering skill development and meaningful connections remains steadfast.

We are thrilled to welcome you to this year's event, where we intend to build upon our previous successes and deliver an awe-inspiring experience for our hackers and sponsors alike. QHacks is dedicated to bringing together a diverse and brilliant group of students from across the country. By doing so, we aim to provide our partners with unique opportunities for internal, national, and even international exposure, along with tailored recruiting benefits.

On behalf of our dedicated executive team, we extend our heartfelt gratitude for taking the time to review our partnership package. We eagerly anticipate hearing from you and exploring how we can work together to help you achieve your goals as a QHacks 2025 partner!

Sincerely,
Ilyas Erdogan, Joash Mathew, Steven Zhang
QHacks 2025 Co-Chairs

TO POTENTIAL PARTNERS

WHY QHACKS?

As Queen's University's premier hackathon, QHacks brings together top student developers, engineers, and innovators for an intense 36-hour journey of transforming ideas into reality. With a focus on creativity, experimentation, and innovation, we provide the tools for our hackers to thrive.

With every successive iteration, QHacks integrates up-and-coming themes, challenges, and technologies, ensuring that participants receive exposure that will equip them with the skills needed to tackle real-world problems. QHacks aims to challenge even the most brilliant minds, encouraging them to explore uncharted territories of innovation and problem-solving.

By partnering with QHacks, you will empower the next generation of leaders and contribute to creating a community where diverse perspectives are valued, and where every voice is heard.

Join us in shaping the future of technology and innovation at QHacksX, where brilliance knows no bounds, and potential finds its platform.

TESTIMONIALS

"I really enjoyed QHacks. It was a great opportunity to meet brilliant students passionate about tech!"

"I loved it, the hackers are awesome, the venue had a really good vibe, the other partners were a lot of fun, and I it was well organized."

"It was a great time for myself! I enjoyed mentoring the students and seeing all the great ideas they came up with."

WHY PARTNER?

Partnering with QHacks unlocks a world of recruitment opportunities, elevates your brand presence, and provides valuable insights on your product from the brightest young minds.

RECRUITMENT

Have direct access to Canada's top student developers. Establish personal connections with our talented hackers, witness their skills in action and enable exceptional recruitment opportunities.

BRANDING

Amplify your brand's reach among the next generation of professionals. Connect directly with our eager student audience, increase brand awareness and solidify your presence in their minds as a leader in innovation and entrepreneurship.

PRODUCT PROMOTION

Showcase your product or API to hundreds of students. See what they create with it, get instant feedback, and boost your exposure. It is the perfect platform to promote and gain valuable insights on your product.
